

15TH CONFERENCE OF FORUM OF BURMESE IN EUROPE

Resolutions

Date: July 31-August 1, 2010

The Forum of Burmese in Europe,

1. Continues to oppose elections in 2010 and the following period, which will be held based on the 2008 constitution, unlawfully approved by the SPDC military regime, by various means;
2. Do lobby at the UN General Assembly and the UN Security Council, implement international campaigns, and educate people, in cooperation with the democratic and ethnic forces across the world, in order that the UN Security Council declares Burma's 2008 constitution as null and void, highlighting its flaws and its conflicts with international human rights laws;
3. Agrees to establish a parallel government which is complete with full features of a government and is able to effectively compete with the SPDC military regime in Burma; and, urges people inside Burma and outside the country, and democratic forces and ethnic nationalities to participate in and facilitate this effort;
4. Cooperates with organizations and individuals who are attempting to get military dictators indicted by the International Criminal Court; and participate in their efforts for calling the UN Security Council to form a Commission of Inquiry to investigate international crimes taking place in Burma;
5. Decides to carry out the “Ending Impunity Burma Campaign” internationally to end impunity enjoyed by the SPDC military generals after they have committed crimes against humanity and war crimes;

6. Cooperates with the organizations which have been exerting efforts for the emergence of a congress, comprising the national representatives from inside Burma, border areas of Burma and in the international community, aiming to overthrow the military dictatorship and restore democracy in Burma;
7. Supports the National League for Democracy which has resolved to stand against a sham election to be held in 2010, based on the 2008 Constitution;
8. Calls on the National League for Democracy to focus political programs more effectively than before;
9. Decides that the message, sent by U Win Tin (Hansawaddy) from the National League for Democracy to the 15th conference of the Forum of Burmese in Europe, would be put on record as well as take it as guideline for the conference;
